

April 30, 2012

Dear Member,

Many of us turn to the Internet when it is time to research a new car purchase, compare rates or look for a checking account. Over the past few months, we have been busy updating our website to make it as easy as possible for DVCU members to accomplish all of these tasks. We have streamlined the layout and incorporated site wide search to make it easy to find what you are looking for. We have also developed partnerships to provide you with tools designed to make purchasing a car or buying a house as easy as possible. You can see all of the changes at <http://www.deervalleycu.org>.

As tax refunds begin flowing into your accounts, it might be a good idea to have a financial professional review your short and long term financial goals. We have an excellent financial planner on our team - Tony D'Astice. He would be happy to review your current financial plan or create a new one for you and your family. You can reach Tony directly at 602-375-7350.

Best wishes,

Robb Scott, CEO
